Patron edition

**JULY 2018**

## **Hello Patrons,**

A number of you will not have expected this edition as you sadly have not continued to support us. However, I thought, as a good gesture I would send this edition to all past members in a hope that we could find away into your heart so you would continue to support the Derby Magic Circle just for £1 per month.

## **General.**

On the Magic Scene the forthcoming event is at the Edinburgh Festival in August.

The Festival will have over 75 Magic and Magic related shows and would be a worthwhile visit for the magic enthusiast.

Amongst those appearing are Peter Mc Lanachan demonstrating his expert card magic. Oliver Meech showing his jaw dropping, mouth watering comedy magic between 2<sup>nd</sup> to 18<sup>th</sup> Aug. Aaron Calvert demonstrating his professional medical back ground with Hypnotic Feats between 1<sup>st</sup> to 26<sup>th</sup> Aug. Sam Finton, billed as the Dreamer demonstrating, to quote, Phantasmagorical Scenes.

There are many more that`s worth a visit up to Edinburgh during August.
